Date of Deposit

Porter, Luke Martin Leonard
Applicant's Name

Date of Signature

Signature

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450.

Sir,

This is in response to the official letter issued on October 03, 2006, which has a response date of December 03, 2006.

AMENDMENTS TO THE ABSTRACT

I note that the examiner objects to the new Abstract that I filed with my response of July 14, 2006 because it is allegedly not in narrative form. I now enclose another Abstract which is in narrative form.
